Diaper Insecurity 2026 Fact Sheet | GEORGIA

Diapers are essential for all babies and families to maintain good health, access child care, and go to work. Keeping infants and toddlers clean and healthy helps build a strong foundation. However, nearly 1 in 2 families struggle to afford diapers.[1] We can end diaper insecurity by strengthening support systems and reimagining policies so that every family has what they need to thrive.

4.2 million
diapers distributed annually by NDBN-member diaper banks in the state[2]

7.1 thousand
children helped monthly in the state[2]

Childhood Poverty in Georgia

44.9%
of births in state covered by Medicaid
